

KONICA MINOLTA

The Konica Minolta magicolor 3730DN is powerful, compact and cost-efficient – an ideal color printing combination for workgroups and small but busy offices with growing document demands. It gives you a fast print speed of 25 ppm in color and B&W as well as brilliant color image quality with Simitri® HD toner, great media handling flexibility and built-in duplexer. High-resolution 2400 x 600 dpi printing makes text more legible and gives graphics greater detail. Economy mode allows full use of color at low cost. A space-saving footprint fits high-speed output in smaller dimensions, for a hard-working desktop printer you can count on in any workspace.

superior **color** at higher speed – and lower cost.
